Employment and contribution

Present

The Dean of the Postgraduate Institute for Accounting and Financial Studies
[University of Baghdad, Baghdad](#)

Dr. Mamouri has an extensive academic career that spans 25 years, both inside and outside of Iraq. He is a member of the Iraqi Inventors Association and the Committee of Experts at Al-Nahrain Center for Strategic Studies/National Security Adviser-Prime Ministry.

Dr. Mamouri played a significant role in the team that prepared the program and performance budget project document. This document helped to shift the federal general budget of the Republic of Iraq from the method of balancing items to balancing programs and performance. He is also a member of the Supreme Committee for Reform, State Financial Management, and the General Budget of the General Secretariat of the Council of Ministers.

Dr. Mamouri has made noteworthy contributions to the academic arena. He supervised 36 Ph.D. and 16 master's theses, and taught 22 doctoral-level and eight master's-level subjects within Iraq. Additionally, he has taught 20 bachelor's-level subjects, with the majority of courses taught outside of Iraq. Dr. Mamouri has evaluated numerous promotion transactions within Iraqi universities and is a member of comprehensive examination committees for doctoral students at the University of Baghdad and Al-Mustansiriya University.

He has chaired and served as a member of over 200 administrative and scientific committees at the state, ministry, university, institute, and other government agency levels.

Contribution to the fields of Auditing and Accou...

Dr. Mamouri's impressive credentials include serving as a member of Iraq's Accounting and Control Standards Council, where he represents the Ministry of Higher Education and Scientific Research. He also serves on the Committee of Experts of the Social Sciences Committee, which evaluates certificates with scientific and administrative competencies for the same ministry. Dr. Mamouri has chaired the Preparatory Committee for the Fourth Internal Control Conference, organized by the General Secretariat of the Council of Ministers, and has been a member of the Administrative Reform Committee for the Prime Minister's initiatives.

With over 28 years of experience in the field, Dr. Mamouri is a member of both the Accountants Syndicate since 1992 and the Arab Institute of Certified Public Accountants since 1998. He has chaired 176 scientific discussions on accounting, legal accounting, oversight, auditing, banking, taxation, insurance, and other disciplines. He has also published 81 research papers in various international journals and conferences, and has participated in 30 papers at many local and international conferences and seminars. Dr. Mamouri's expertise and contributions to the field are truly impressive.

Dr. Mamouri's impressive achievements have earned him recognitions from various official levels, including the Prime Minister and those of his rank, Deputy Minister, President of the University, Dean, Director-General, and others.

Achievement in Research

Dr. Mamouri has authored and published more than 81 research papers that span various disciplines such as accounting, control, auditing, finance, banking, tax, insurance and more. These research papers have been published in numerous local and international journals, as well as being presented at various conferences and seminars. Dr. Mamouri has also participated in 30 papers at several local and international conferences and seminars.

In addition to the above, Dr. Mamouri has supervised 36 PhD theses and 16 master's theses. Dr. Mamouri's expertise and contribution to the field of accounting and finance are well-regarded and have been recognized by peers in the academic community.

Dr. Mamouri's extensive research experience and academic achievements demonstrate a deep understanding of various disciplines within the field of accounting and finance. Dr. Mamouri's contribution to the academic community is highly valued, and their research has made significant contributions to the field.
